

Dear Kindergarten Parents,

I am proud to announce that Kindergarten has begun its preparations for this year's Kindergarten Music Program. The theme for this year is "Down at the POND!" The students are working very hard and are extremely excited.

All of the Kindergarteners will be performing at one presentation time this year! With that we are limiting the number of audience members each student can bring to enjoy their performance to 4 people. The performance will also be Live Streamed and the link can be found on the JES Website under "Quick Links"

The performance will be held on:

**Thursday, April 10<sup>th</sup>**  
**5:00 PM**  
**Jordan High School Auditorium**

As you may know, putting on a program is a very big task. Because of this, I am looking for volunteers to help out in any way possible. Our biggest project this year is the stage scenery. If you are talented, or not, in any of these areas and would love to help out, your time and effort would be greatly appreciated. Please fill out the information below and return it to school as soon as possible. I will be in touch with you in the upcoming weeks.

Thank you for all of your support, and I know you will enjoy the show. More specific information about times and attire for each performer will be coming soon.

Sincerely,

Mindy Foyer  
Music Specialist
