

Jordan Elementary School Music K-4

Ms. Mindy Foyer

My name is Mindy Foyer and I am the General Music Teacher at Jordan Elementary School. After teaching General Music K-6 for 15 years in Arizona, I finally made the move up to Minnesota 11 years ago to fulfill my love of the snow and changing seasons. Although I lived in Arizona for over 20 years, I did grow up on Long Island, N.Y. where I was exposed to just a bit of snow. However it is nothing compared to what I am used to, as everyone has been telling me :)

After graduating High School in 1994, I attended The University of Tulsa and earned a Bachelor of Music Education with an instrumental emphasis and a Bachelor of Music in Flute Performance. Then in 2006 I earned a Masters of Music Education from Northern Arizona University. I am also certified in Orff and Kodaly Level I which is what I base my teaching philosophies and methods on.

Music is my life and I hope to bring this love into the hearts of everyone I meet. My goal at Jordan Elementary School is to instill an enjoyment and appreciation of Music into each of my students leading them to crave to learn more.
