# INSIDE THIS BROCHURE

Spring is around the corner and warm weather is on the horizon. To kick off the Spring/Summer brochure, we invite everyone to Celebrate Jordan on April 5th, 1pm-4pm at the CERC/JMS. This is a great way to get to know the community and all of the its local businesses and organizations. In the past we have had more than 70 vendors and more than 1800 people attend this event.

The Community Education staff is excited about all the opportunities we have for you. Along with our usual summer ball, sport camps, enrichment camps/classes and many adult classes, we have new things to offer including spin, bass fishing, CERC date night, a musical, wood working, Preschool sports, and dance.

Spring and Summer is a great time to be spending time with family and friends. We enjoy seeing all the smiles on faces everyday, and take pleasure in offering great opportunities for you. Community Education encourages you to stay active and curious, by trying new things to enlighten your mind and body through experience. Thanks for all your support! For more information please contact me at [sjensen@isd717.org](mailto:sjensen@isd717.org).

# ABOUT US COMM ED & REC STAFF

## STEVEN JENSEN

*Director – Community Education and Recreation / The CERC*

I have a passion for serving the needs of our community and together we are able to create opportunities where people can be creative and challenge their mind and body at all ages.

## JENNA WENDORFF

*Director – Early Learning Services*

It's rewarding to work in an area that is so critical to the development of the youngest in our community. The programming we have implemented continues to inspire. . . from the pyramid model, the inclusion model, and finally, our collaboration with K-4 programming.

## ANDI NOLD

*CERC and Enrichment Coordinator*

I am passionate about community education because we are able to create opportunities for individuals to discover their strengths and passions while connecting to their community.

## PAM GOING

*Program Coordinator – Kids' Company & Early Ed-Ventures*

Our programs provide quality experiences for children pre-k to 6th grade, focusing on the core values; honesty, respect, responsibility, and compassion. We focus on these values while enjoying the kids and having fun ourselves.

## JAMIE FREMMING

*CERC/Community Ed & Rec Administrative Assistant*

I enjoy being part of an environment that creates opportunities for individuals and families to be involved in their community while building long-lasting relationships. I hope to provide a positive experience for those who visit our facility.

## KRISTA HALVORSON

*Facilities Scheduling and Athletics/Activities Administrative Assistant*

We are proud of the facilities we offer not only to our students and staff, but also to the community of Jordan and beyond. I'm excited to be a new member of the Jordan Public Schools staff and happy to serve the school district and community of Jordan.

# EARLY LEARNING & FAMILY EDUCATION

Jordan Public Schools offers early childhood education and preschool opportunities for all families with children between the ages of birth to age five. We recognize that families provide children's first and most important learning environments, and parents are children's first and most significant teachers.

Our Early Childhood Family Education (ECFE) programs offer a variety of services and activities to bring families together to share the joys and challenges of parenthood while developing confidence in their own abilities. Our preschool programs ensure children enter kindergarten with the skills and behaviors necessary to be successful in future learning.

We have had a wonderful start to the school year with many families taking advantage of our program enhancements such as busing, curbside drop off, snack cart, and additional class offerings. Our staff continues to strengthen the school experience for students while improving educational practices in a collaborative model utilizing district staff development opportunities.

The Early Learning Services PTO continues to support our program, and we are very appreciative of their hard work. Most recently, we have enjoyed PTO's funding of our preschool field trips including Luceline Orchard, Emma Krumbees, and Pinwheel Play.

For general preschool or ECFE questions, please contact our ELS office at 952-492-3233.

Sincerely,

**Jenna Wendorff**

# EARLY LEARNING INTERVENTIONS

## Did You Know?

The Jordan Public School believes that early education and interventions are the foundation of all learning. Along with our *Parent Aware Rated* preschool and ECSE programs, **we also offer early intervention services to families with children birth to Kindergarten**, ensuring even our youngest are reaching their milestones and receive help *when extra help is needed*.

### Birth to 3 Intervention

Our Early Intervention staff will provide a system of services that help babies and toddlers with developmental delays or disabilities. Based on the family needs and priorities, the school staff will help the family problem solve and give information and ideas of activities they can do to enhance play and daily routines. They also help to connect families with community resources and supports as needed.

**For more call  
(952) 492-4212.**

### Age 3–6 Intervention

The **Early Childhood Special Education (ECSE) Preschool Program** provides learning experiences in all areas of development including social, self help, motor, communication, and cognitive skills. Children who have been identified with a developmental delay can benefit from many types of services within the ECSE classroom including speech, occupational, physical and vision therapies and assistive technology. ECSE services can also be provided in an inclusive setting within the regular preschool program offered in our Elementary School (Early Explorers Preschool).

**For more call  
(952) 492-4285.**

### Preschool Screening

***Has your three year old been screened?***

The early childhood years from birth to the start of kindergarten are an important time of rapid learning and growth. Early Childhood Screening is a quick and simple check of how your child is growing and developing. Between the ages of 3 and 4, screening can detect possible health or learning concerns so that children can get help before they start school. Screening is required of all children in Minnesota prior to Kindergarten entrance.

***See page 11 for dates and registration information.***

EARLY LEARNING

## Help Me Grow

The Jordan Public School District is one of six districts who are served through the HELP ME GROW-SCOTT COUNTY early intervention system for children ages Birth through five. HELP ME GROW-SCOTT COUNTY focuses on child and family strengths, needs and priorities. We recognize that your family is the first and best teacher of your child and that children learn best through play. We work to enhance and support your family's knowledge as you help your child learn and develop throughout daily activities and routines.

This service is offered at no cost to the parent/care giver regardless of income or immigrant status and will provide information, support, and referral services to families of children with special needs. If you are concerned about your child's growth, development, or learning, please call 492-4285.

# PRESCHOOL TIME TO EXPLORE!

**Early Explorers**, a Parent Aware 4-Star Rated Program, is a caring, warm and happy place for preschoolers to learn and grow. Our preschool offers an expanded traditional curriculum in a preK-4 setting. This means learning beyond the traditional preschool room! To prepare for Kindergarten and beyond, ***your child will be oriented to the amenities of***

***our elementary school - art, music, gym, media center, outdoor STEAM exploration, and a hot lunch option for full-day preschool.***

**Early Explorers** activities include circle time, art, music and movement, story time, stations, a library day and a snack. We have a literacy-based curriculum that incorporates the SMART room, iPad Small Group Time, Handwriting without Tears and SMART board activities, meeting State Indicators of Progress, Kindergarten Readiness, and field trips through the year. Personal and social wellness is nurtured through the Pyramid Model – a positive intervention strategy supporting social-emotional well being of child. Our inclusive classrooms recognize the diversity of students, enabling all students to access the curriculum, fully participate in learning activities and demonstrate their knowledge and strengths at assessment.

# EARLY LEARNING PARENT ORGANIZATION

## Early Learning Services PTO

### When are the meetings?

- The PTO (Parent Teacher Organization) meets the **first Tuesday of every month at 6:15pm in the ELS parent room**. Meetings are open to anyone with a child in the ELS program; contact ELS at (952)492-3233 with questions.

### What is the ELS PTO Advisory Council?

- This group is dedicated to supporting the students and staff at ELS. We are a group of parents that volunteer to enhance the student's educational experience with time, effort, concern, and funds. We are always looking for parents who would like to volunteer.
- The funds we raise are used to provide field trips, support ELS programming, purchase supplies and equipment, and offer events for the families in the program.

### Why should you join?

- You can take an active part in your child's education.
- It is a great way to meet new friends and other parents.
- You can give back by offering your time and talents.

# YOUTH FOOTBALL

## TEAMS GRADES K-4

### Kindergarten Nerf Football

**For boys and girls in Kindergarten during the 2020-2021 school year.** This is an introduction to flag football for all of our 2020 Kindergartners. It is a great opportunity to begin to learn the game, get active, and play some football. *Weather cancellation: Games will be rescheduled to Thursdays of the same week*  
Tuesdays, Sep 10\*\* - Oct 6

\*\* Due to Kick Start to Kindergarten we will start on Thursday, Sep 10th. The rest of the season will be played on Tuesdays.

5:30pm - 6:30pm, Field GS1 (Fields 9 and 10)

\$60; **Reg by Jul 31**

### Intro to Flag Football

**For boys and girls in 1st and 2nd grade during the 2020-2021 school year.** At this level, we will continue to introduce the elementary age players to the game of football. Flag football does not incorporate drive blocking or tackling thus not requiring any protective equipment. The players will learn the basics of offensive and defensive play, teamwork, and will have a lot of fun in the process. We will ensure that each player receives equal opportunities at different positions.

Tues/Thurs, Sep 3 - Oct 8

5:45pm - 7pm, Field GS2 (Fields 1-4)

\$70; **Reg by Jul 31**

### Flag Football

**For boys and girls in 3rd and 4th grade during the 2019-2020 school year.** At this level, we will work on the fundamentals of passing, catching, and running. There is no blocking or tackling in flag football, as it focuses on learning base level concepts, rules, and philosophies. Teams will compete and continue to develop as players. We will stress that each player receives equal opportunities at the various positions, on both offense and defense. *Practice will be held from 5:30pm - 6pm, followed by a game from 6pm - 7pm.*

Tues/Thurs, Sep 3 - Oct 8

5:30pm - 7pm, Field GS1 (Fields 5-8)

\*\*Hubmen Bowl, Saturday, Oct 10, 1pm - 5pm

\$70; **Reg by Jul 31**

## GRADES 5 & 6 TACKLE

### Tackle Football

**For boys and girls in 5th and 6th grade during the 2020-2021 school year.** This program focuses on developing safe and responsible techniques that will allow athletes to enjoy the game of football, into the future. This league requires some travel to neighboring towns. The goal of tackle football is to help each young athlete develop as a person through situations and challenges that the game provides. Each player will receive a helmet, shoulder pads, practice jersey and pants, game jersey and black game pants.

# YOUTH DRIVER'S EDUCATION

## General Overview:

The Jordan Community Education Driver's Education program is for students, ages 15-18, who live or attend school within Jordan School District 717. The driver's education program includes classroom instruction, and behind-the-wheel training.

## Classroom Instruction: 30 hrs

Classroom includes lecture, class discussion, guest speakers, films, written work and written tests. Upon completion, students will be issued a blue card.

## Behind-The-Wheel (BTW): 6 hrs

Behind-the-Wheel allows a student to practice driving on public streets and highways with an instructor in a dual control (two brake) car. **Once your student has received their permit please contact Jamie Fremming (952-492-6211) to schedule behind the wheel.** Please note, your student may be placed on a waiting list. Offerings are based on instructors availability typically offered throughout the summer and limited fall and spring opportunities. If you are placed on the waiting list you will be contacted when an opening becomes available. There is a \$40.00 per hour charge to make up for a missed Behind-the-Wheel. You **MUST** call 952-492-6211 at least 24 hours prior to cancel appointment. Upon completion of behind-the-wheel, students will be issued a white card. A lost or misplaced white card will cost \$10 to replace.

# TRIPS ADVENTURE AWAITS!

## **“The Music Man” – Chanhassen Dinner Theatre**

Meredith Willson's six-time, Tony Award-winning musical comedy has been entertaining audiences since 1957 and is a family-friendly story to be shared with every generation. The Music Man follows fast-talking traveling salesman, Harold Hill, as he cons the people of River City, Iowa into buying instruments and uniforms for a boys' band that he vows to organize – this, despite the fact that he doesn't know a trombone from a treble clef. His plans to skip town with the cash are foiled when he falls for Marian, the

librarian, who transforms him into a respectable citizen by curtain's fall.

# ADULT ENRICHMENT

## Beginning Herb Growing

*Ages 13+ Instructor: Heather Novak*

Take the mystery and fear out of growing and cooking with herbs—basil, dill, cilantro, lavender, rosemary, thyme, sage, tarragon, —to name a few. Taste and smell the flavors of these herbs. Then discover the role these flavors have when added to everyday or special dishes and cuisines because you will plant your own powerful ingredients in a pot to take home with you. In this 1 hour make and take class, we will have an open discussion and plant a pot with herbs for your patio or to set by your back door. Come with questions or ideas to share. Since we are working with soil, please come prepared in your dress or bring an apron and gloves.

# **JORDAN** PUBLIC SCHOOLS **JOURNALIST**

*Communicating information, events, and activities of the Jordan Public Schools for over 38 years*

Dear Jordan Parents, Guardians and Community Members,

As I write this I believe that we may be on the cusp of an early spring! Warmer weather and longer days mean a sense of renewed energy and excitement as we come out of the winter season and look forward to being outside. This renewed energy is also present in our school district. We are excited about finishing our current school year strong, celebrating our students, graduating the class of 2020 and beginning to focus on summer cleaning, maintenance and planning for the 2020-2021 school year.

In this section of the Journalist, you will find updates about programming, and projects from building and district administrators, as well as information about the numerous accomplishments and celebrations from our year thus far. Our students continue to do great things, entertain our community in a variety of ways and learn new skills that will help them succeed in this fast paced, technologically driven society. Please take time to read through our important updates and check out the variety of Jordan Community Education course offerings.

To stay current regarding school district happenings or events, and to read about the positive events, exciting learning, and innovative programming occurring at Jordan Public Schools, please visit our website at [jordan.k12.mn.us](http://jordan.k12.mn.us). If you have a smartphone and would like to stay connected with our district please consider downloading the free "Jordan Public Schools" app from your app store. Also, remember to follow us on Facebook, Twitter, or Instagram by searching @ISD717.

As always, please consider volunteering at one of our schools or getting involved with one of our district's committees.

Sincerely,

*Matthew M. Helgerson*  
Superintendent

**PRESCHOOL** | Preschool held their open house in late February and registration began on March 3 for all families. To register, visit our website at [jordan.k12.mn.us/preschool](http://jordan.k12.mn.us/preschool). This page will provide information regarding class times and registration. If the class you desire is full, please add your name to a waitlist. This helps us plan for the possible addition of classes.

**ELEMENTARY SCHOOL** | Jordan Elementary School is having another amazing school year! **Mindfulness** is being practiced in every classroom, and we have implemented **Culturally Responsive Teaching (CRT)** practices into our school to meet the diverse needs of our students. Our staff has taken our J-Town Pride model (our PBIS framework) and added CRT language to help students and staff know what the expected, positive behaviors look, sound and feel like in all areas of the school. We are excited to see how this revised PBIS framework evolves at JES to offer the best social-emotional learning environment for staff, students, and families.

We are looking forward to welcoming our incoming Kindergarteners on **April 2nd for our Countdown to Kindergarten!** event. This is the follow-up event to our Kindergarten parent informational night, Welcome to Jordan Elementary! held on February 6th. **Countdown to Kindergarten information can be found on our school website at [jordan.k12.mn.us/countdowntok](http://jordan.k12.mn.us/countdowntok).**

Finally, 200+ Kindergarten teachers from around the state will also be joining us in Jordan for the annual Minnesota Kindergarten Association Spring Conference on May 1st-2nd. More information about this conference can be found at [mymka.org](http://mymka.org).

**WELCOME CLASS OF 2033**  
JORDAN PUBLIC SCHOOLS

**MIDDLE SCHOOL** | Jordan Middle School is striving to meet the needs of all learners on a daily basis in and out of the classroom. This year, our school counselor (Mrs. Meyer) and our school social worker (Mrs. Rydberg) are working with all students on social emotional strategies including: mindfulness, self regulation, social skills, academic/college and career readiness. These skills are being taught individually, in small groups, and in the classroom to support students in all areas of their lives. Additionally, we have added a new elective class called REACH, to support students demonstrating a need for further support in these areas. **REACH is an in-school program designed to help students academically, socially, and/or emotionally.** The REACH Program not only supports these students academically, but also works to help them build life skills necessary for the future. The pillars of REACH are as follows: **Relationships:** A safe place for students to belong, connect, and cool off if needed. **Education:** Individualized academic assistance and assignment modifications as needed. **Accountability:** A support network with staff committed to helping students succeed while nurturing student responsibility. **Character:** Skill-building activities that encourage both positive academic and personal growth. **Hard work:** Students rise to the level of expectations.

As we move into the years ahead, we will continue to encourage each person's gifts and talents to prepare students for Jordan High School and beyond.

## SURVEY WE WANT YOUR INPUT

**Please watch for the Jordan School District survey that will go out to all district taxpayers and residents in late April or early May.** The district is working with School Perceptions to ask district taxpayers to review the district's needs and requests. Last November's operating levy and bond referendum failed and we need to learn more about what our district residents supported and didn't support in last fall's referendum. We also need to have input on what taxpayers

may or may not support in the future. While we realize that the vote spoke for itself, the district has some significant financial and building needs. In the survey you will see the different components of the operating levy question and bond referendum questions broken down into smaller pieces. In addition, you will see tax tables and potential impacts should a future referendum be considered. We ask that you please complete this survey when it comes out to mailboxes. You'll have the option to complete the survey online or via a paper copy. **Your feedback will assist us in our future planning.**

## HIGH SCHOOL

In February Jordan High School hosted their first Career Day. This day gave students an opportunity to hear from 5 different community members about their career. Students were able to choose the professionals that they interacted with during this day. Over 20 different speakers shared stories about their career, the training involved, and other facets of the profession. The professions represented included welder, chiropractor, accountant, pilot, architect, doctor, photographer, musician, lab scientist, electric lineman, law enforcement, plumber, and more! This was a great opportunity for JHS juniors to hear about future careers prior to registering for classes for their senior year. A special thanks to Ms. Kusske and Ms. Whiteside for their organization of this event.

## ATHLETICS AND ACTIVITIES

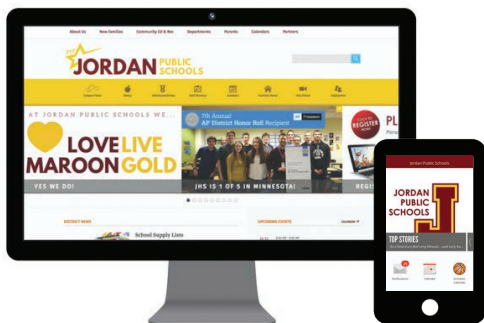

Jordan activities saw big changes in 2019-2020 in post season and section classification, and will have an even more noticeable change in 2020-2021 as we move to a new conference. Competitive sections are evaluated every two years by the Minnesota State High School League. As our district grows, we will continue to see change in Jordan's classification. All Fine Arts have two classes, and Jordan is now considered an AA school. This means we just made the cut to be considered large enough to compete against the biggest schools in the state. Athletics were also affected as we saw six sports jump up a class (baseball, softball, football, tennis, track & cross country).

This bump in classification had us evaluating our conference affiliation. With Jordan clearly being the largest school in the Minnesota River Conference, it was decided to apply and eventually be accepted into the Wright County Conference starting fall of 2020. We will compete with schools similar or larger in enrollment, teams we will compete with in the playoffs. **This was a difficult decision after spending 60+ years in the MRC, but we are excited and up for the challenge the Wright County Conference will present!**

## DISTRICT COMMUNICATIONS

The district website and our smartphone app will have the latest calendar updates for each school and activities.

Events on the calendar often have extra details worth checking out! With questions, contact Kat Pass, Communications and Marketing Director, at [kpass@isd717.org](mailto:kpass@isd717.org) or 952-492-4408.

# SCHOOL DISTRICT THE LATEST

**TEACHING AND LEARNING** | The 2019-2020 school year has been a year focused on standards based instruction, strengthening grading practices, and offering students opportunities to connect their classroom learning environments to personal passions through experiential learning. Education in the 21st century focuses on helping students connect classroom life to the world around them developing critical thinking, creativity, collaboration, and communication. Through standards based instruction as a strong foundation, the district strives to create these innovative learners by offering authentic learning experiences connecting to life beyond the classroom walls. This focus will continue into next year by developing practices that allow students to wonder, explore, and achieve with the overarching goal of igniting a love for learning in our students.

**NUTRITIONAL SERVICES** | Nutritional Services conducted a student survey this past month to gather feedback from high school students on their interest in having a "Grab and Go" entree option during lunch. The results of the survey indicated that students would be very interested in having other options to choose from at lunch. In April we will be starting a "Grab and Go" station on Tuesday's and Thursday's in our high school and middle school that will offer different main entrees to choose from, other than the main lunch line offering. Items will include: pizza slices, hamburgers, chicken patty and tacos just to name a few. We were granted money from SHIP, Scott County Statewide Health Improvement Partnership, to purchase our new Grab and Go merchandizer stand that will be used for our new entree options at our high school. We are excited to bring more options to our secondary school students this spring and continue to strive to be creative in how we feed our students healthy meals each day.

**SPECIAL SERVICES** | In its 5th year of existence, **the SOAR Transition Program has provided employment and work skills to help students succeed in life after high school.** This year the SOAR program has included a new curriculum to help increase student's work skills at all ability levels. We are excited about The First Step Program. This program helps our SOAR Transition students (18-21 years of age) with their employment and work skills. The First Step Program is designed as a tool to address Basic Skill Development and Transition requirements at the secondary level that need guided instruction. The skills in First Step are very basic and designed to allow the students to learn and develop skills they may not possess. The categories used are; employment skills, hand tools, measuring skills, and household skills. This program also helps students develop Work Behavior Skills and introduce them to the Practical Application of Economic Life Skills. They will learn how to follow work procedures and work rules. This will help them transfer the work skills learned in First Step to the real world. Students will also learn a positive work ethic and learn how to get along with fellow workers as well as supervisors.

## AN UPDATE ON THE 2020-2021 ACADEMIC CALENDAR

Jordan Public Schools is slated to begin the 2020-2021 school year on Tuesday, September 8th due to a late Labor Day. Due to this post Labor Day start, we surveyed our school community about applying for a Flexible Learning Year (FLY) option through Minnesota Department of Education (MDE). With the support of staff and district families, we have applied for the FLY option which would allow us to start school prior to Labor Day.

**We hope to hear from MDE by Friday, May 1st. At that time, we will communicate any 2020-2021 calendar adjustments if the FLY option is approved.**

## DISTRICT FACILITY USE AND RENTAL

### Use of School District Facilities Rental

Our schools and facilities are available for group use and rental. To request use of space within Jordan Public Schools, you are asked to obtain a facility use permit (reservation). Depending on the organization, permits are issued for both no cost facility use and for facility rental. Jordan Public Schools are available to public organizations and groups with adequate insurance and are subject to policies and procedures outlined in the facility use policy (with costs, etc). It is important to note that submitting the request is not a guarantee of a reservation. You will receive an email notification when the request has either been approved or denied. Facility use applications are available at Facilities Scheduling located at Jordan High School or on the district website.

**Reservations are made through Jordan Public School District Facility Scheduling by emailing [facilities@isd717.org](mailto:facilities@isd717.org) or call 952-492-4481.**

## PARKS FACILITY USE AND RENTAL

### City of Jordan Park Facilities Rental

Lagoon Park has five shelters (two large, one small, a gazebo, and an enclosed shelter) available for reservation. Individuals/groups are only able to reserve park shelters, not the use of the entire park.

**Reservations are made through Jordan Public School District Facility Scheduling by emailing [facilities@isd717.org](mailto:facilities@isd717.org) or call 952-492-4481.**

Permit cost is \$50 per shelter for Jordan residents and \$75 for non-residents. There is also a \$150 per shelter refundable deposit required at time of reservation for all parties. You must bag trash and you may leave it at the shelter.

Events over 100 people or including alcoholic beverages must obtain a special event permit from the City of Jordan at 952-492-2535.

## ASSOCIATIONS AND COMMUNITY CLUBS

**The Jordan community has a diverse offering of teams and leagues to accommodate the various needs of our youth.** These include Community Education and Recreation, school district teams, associations, etc. All work together to help develop players ensuring that the Jordan community has outstanding athletic opportunities for years to come. ## Immunization Clinics

**(952) 496-8555**

Minnesota state law requires that all children attending ECFE programs on a weekly basis have their immunizations up-to-date. This program will be only one of many times you will need an up-to-date shot record for your child. If your child is behind in immunizations, he/she can catch up. Scott County residents may receive immunizations at their doctor's office or at the following clinic: Every Monday 1:00-5:00 pm. Cost is \$10 per shot. No one will be refused if unable to pay. Please bring immunization records to the clinic. If you have questions please call (952) 496-8555.

## Parent Warmline

**(952) 863-6336**

The Parent Warmline is a free consultation service through Mpls. Children's Medical Center for parents who need support and practical information about behavior and development of young children. Volunteers with professional training and expertise in such fields as parent education and child development will return your call.

## Crisis Nursery

**(612) 839-5101**

The Crisis Nursery welcomes calls from parents in any situations needing a sympathetic ear, some parenting tips, or information about community resources. In a crisis situation, the Crisis Nursery may be able to provide short-term child care for children ages newborn to 12 years, when their families are residents of Scott or Carver Counties. Trained advocates are available to help during a crisis.

## WIC (Women, Infants & Children)

**(952) 496-2125**

This program provides nutrition information and counseling for pregnant and nursing mothers. Counseling includes information on supplemental foods such as milk, cheese, juice, cereals and infant formula to promote good health. WIC eligibility is based on household income guidelines. If you are currently eligible, voucher pickup days are the second Monday and fourth Tuesday of each month, at the CAP Agency, located on 712 Canterbury Road in Shakopee. Otherwise, appointments must be made in advance by calling.

## SEAC

(Special Education Advisory Council)

A group that provides input on special education issues to its local school district. SEAC meets quarterly during the school year. For more information call Chad Williams, Jordan Special Education Director, at (952) 492-4230 or [cwilliams@isd717.org](mailto:cwilliams@isd717.org)

# OUR MISSION

Inspire a caring community to ignite learning, innovation, and success for all!

## School Year Office Hours

Monday - Friday: 8am to 4:30pm

## Summer Office Hours (begins May 26, 2020)

Monday - Thursday: 8am to 4:30pm

Fridays: 8am to 12pm

## AM I IN?

Classes are filled on a first come, first served basis. Pre-registration is required. Community Education does not mail class confirmations. If you have an email address at the time of registration, a confirmation will be emailed to you. If you do not hear from us, assume that you are in the class and that it will be held at the time and place indicated. We will contact you by phone or email if there is a change.

## Cancelling Your Registration

Please notify our office by the deadline date in order to receive a full refund. If after the deadline there will be a \$5.00 processing fee. No refunds after first night of class.

## Program/Class Cancellation Policy

If school is cancelled or weather conditions do not allow us to safely hold our programs, we will update via:

- Website, email, phone call, social media

## Non-Sufficient Funds Checks

Checks that are returned to Community Education are subject to a \$10 fee.

## Mike Harrington Scholarship

Some programs may be eligible for a reduced fee. Eligible participants are limited to 3 programs per school year (July 1 through June 30). All requests will be confidentially handled by our office. This does not apply to the Driver's Education Program. Forms can be picked up at the Community Center or found on the website.

## Participation Waiver

By registering for classes, trips or events, you indicate that you have no physical conditions or health history that would make participation hazardous to your health; in addition you are releasing Community Education and other organizations, cities or individuals associated with the program from any responsibility for injuries or damages received as a result of your participation.

## Volunteer Coaches

Our programs are operated with volunteer coaches (limit of 3 coaches per team). **Volunteer coaches will receive a credit for half of their participant fee.** At the end of the season, volunteer coaches will receive a voucher in the amount of their participants fee. Must attend coaches meeting and coach the entire season to receive the voucher. Please pay the full amount when you register.

## Privacy

The information requested on registration forms will be used to verify eligibility as well as determine staff, facility and equipment needs. You or your child's registration information may be provided to school district staff, volunteers, instructors, the school district attorney, insurer and auditor. Your email information is for internal use only and will not be sold or solicited. Photographs or videos of classes in action may be taken and used for district publications and web pages (including social media). If you object to having your picture used, please notify the Community Education Office at 952-492-6211.

## Instructors Wanted!

If you would like to share your talents with others in the community, please call us at **952-492-6211** or contact us by e-mail at [commed@isd717.org](mailto:commed@isd717.org)

## Use of School Facilities

Jordan Public Schools are available to public organizations and groups with adequate insurance and are subject to policies and procedures outlined in the facility use policy. Facility use applications are available at Facilities Scheduling located at Jordan High School or on the district website.

**Reservations are made through Jordan Public School District Facility Scheduling by calling 952-492-4481 or emailing [facilities@isd717.org](mailto:facilities@isd717.org).**

## City of Jordan Park Rental

Lagoon Park has five shelters (two large, one small, a gazebo, and an enclosed shelter) available for reservation. Individuals/groups are only able to reserve park shelters, not the use of the entire park.

**Reservations are made through Jordan Public School District Facility Scheduling by calling 952-492-4481 or emailing [facilities@isd717.org](mailto:facilities@isd717.org).**

Permit cost is \$50 per shelter for Jordan residents and \$75 for non-residents. There is also a \$150 per shelter refundable deposit required at time of reservation for all parties. You must bag trash and you may leave it at the shelter.

Events over 100 people or including alcoholic beverages must obtain a special event permit from the City of Jordan at 952-492-2535.

## Tobacco Free District

Thank you for not using tobacco on school property.
