

Literacy Units: Welcome to School, All About Me/Families, Feelings

Shape: Square

Color: Yellow

Numbers: 1 & 2

Scholastic Book Order: I will be sending home a Scholastic book order each month. Not only is this a fantastic way to encourage reading and literacy in your child, you are helping build a home and classroom library.

Preschool Screening must be completed within the first 90 days of preschool for your child to remain in our Early Explorers program, once they turn 3, as mandated by the state law. You may register online at www.preschoolscreening.youcanbook.me. For clarification or assistance please see Katie in the Early Learning Services office.

Tuition and Show and Tell

Tuition:

Just a reminder that tuition is due by the 15th of each month. Payment options include: check, cash, or credit card (online payments or payment in the ELS office). A tuition box is located outside of the office for payment drop off. Any questions, please see Katie in the Early Learning office.

Show and Tell:

We will start having this after MEA break. I will send an email out once we get closer to MEA

Food and Drink in the Classroom and Outside Time

Birthdays:

We love to celebrate birthdays in our classroom and with our friends. However, we ask that you keep a few things in mind:

- Party invitations should be delivered outside the school environment.
- Birthday treats must be store bought and packaged. No homemade treats.

Food:

Students will have a snack break in the afternoon. They may bring a snack from home or choose a snack from the school snack cart. No candy or beverages that are high in sugar content please.

Water Bottles:

I will allow water bottles in my classroom. The only rule I have is that they cannot leave circle times to take a drink, otherwise they can grab a drink anytime they need it!

Outside Time:

As a reminder, we will be going outside everyday before lunch and at the end of our day. Please dress your child appropriately for the weather. Packing a lightweight Jacket or sweatshirt is always a great idea since we go out at twice a day and inbetween the weather can change.
