

December

17-21, 2018

What a great week of celebrating the holidays! We were able to watch a few fun movies during our rest times and even got to play Holiday Bingo with a “fireplace” on our Smart Board! We also talked about our favorite “scrumptious” food and traditions we may have for the holidays. It is so fun seeing them get so excited for some family time! I hope you all have a very Merry Christmas, Happy Holidays and a Happy New Year! I will see you all next year!

This week we worked on:

Shape: Star

Color: Green

Number: 7

Letter: No new letter due to our holiday celebrations!

Next MONTH we will work on:

Shape: Circle

Color: No new color on the 3rd due to winter break

Number: 8

Letter: No new letter due to winter break

Outside Time!

It is that time of year when the wind gets a little colder and little white specks fall from the sky: winter! With this changing of the season, please remember to send weather appropriate outerwear for you student like a winter jacket, hats, mittens, etc.. **If your student wears snow boots to school, please remember a pair of regular shoes for them to wear in class.**

NOTE:

Please don't forget that if your child has checked out a book, that they should bring it back each week. It is fun for the students to get a new book each week and then other students can get the chance to check out a book that their classmate had!
