## DIRECTORS MESSAGE

Happy New Year!! I recently spent the day working behind the CERC desk as a way to meet and greet everyone walking in. This was a great day of chatting with our current members and also meeting all the new people signing up for memberships. We have an amazing facility that meets a need for our community. I continue to be blown away by all the positive feedback we get. I can't thank everyone enough for all of the support they have given to keep this Community Education, Recreation, and the CERC a huge part of the community.
