**Jordan High School
Scholarship Awards**

CONGRATULATIONS

For decades, organizations, businesses and families created a strong foundation in post-secondary education scholarship assistance for Jordan High School graduates. In 2011, a Jordan Dollars for Scholars chapter, led by community volunteers, originated with these goals:

- Simplify the application process for students
- Promote existing scholarship contributors
- Assist in developing a larger pool of scholarships

In 2020, (57) JHS graduates will receive (158) scholarships totaling \$90,150.

JDFS set a **goal of \$100,000** scholarships for 2021. What can you do to help reach the \$100,000 milestone in 2021?

- 1) Ask for information on how to start a scholarship in the name of your organization, business or to honor a family member.
- 2) Ask your employer if they have a scholarship program.
- 3) Please consider a contribution to the Jordan Dollars for Scholars annual Phone-a-thon in which dozens of our graduating seniors spend a weekend reaching out on phones each spring. If you did not receive a call, please consider emailing your phone number and it can be added to our database. This year, \$11,500 in scholarships are a result of Phone-a-thon contributors!
- 4) Look into a Club 717 endowment contribution in your name or the name of a relative, friend, family, business or organization.
- 5) Consider volunteering your time as a committee or board member to our Organization.
