

Screening Procedure: Reliance on Social Distancing

Individuals who have a fever of 100.0 or above or other signs of illness should not be admitted into the facility. Encourage parents to monitor their child and keep home when they are sick

1. Maintain 6 feet distance.
2. Parents/guardians will take the student's temperature before arrival and confirm no fever, cough, shortness of breath, muscle aches, headaches, etc.
3. Visual inspection of students for flushed cheeks, rapid or difficult breathing, or fatigue.

If the staff member needs to take a temperature- gloves will be used and mask if needed per assessment. Follow guidelines below.

1. If temperature is 100 degrees or higher send home.
2. If the temperature is 99 - 99.9 notify parents that the temperature will be re-checked every 2 hours and they may need to go home.
3. If symptomatic with runny nose, cough, watery eyes, sore throat, muscle aches etc, send home. Do not allow student(s) in the summer program. Contact the doctor for further direction of when student can return. Medical authorization letter required to return to summer program.

Guidelines throughout the day:

- Temperature check at the end of the summer programming day if any signs of illness.
- Wash hands for 20 sec with soap and water upon arrival, before and after snacks, in between activities, and after recess "play time."
- 6 feet social distancing.
- Remind students to cover cough and sneeze.
- Ask about respiratory symptoms and observe respiratory status.
- Students in groups of 9 or less with no "crossover," and same leader/teacher throughout the day.
