

## **STUDENT ORIENTATION WEEK**

**MONDAY, AUGUST 31 – FRIDAY, SEPTEMBER 4**

**PURPOSE:** Students and staff have been out of the physical classroom setting since March 18, 2020, and when they return to the classroom, the structures will have changed into a hybrid learning environment. Jordan Public Schools will bring students together on targeted days throughout the “Return to Learn: Orientation Week” to focus on returning to this new learning environment while transitioning students back to school.

### **FOCUS:**

- Community building to target social and emotional needs
- Walking students through and easing them into the hybrid learning environment
- Supporting technology needs while building digital citizenship
- Providing students and staff time to prepare for this new type of learning.

### **IMPORTANT NOTES:**

- Physical distancing and COVID-19 health and safety protocols will be followed at all times.
- JES lockers will be available. JMS and JHS lockers will not be available for student use at this time.
- Students will eat lunch in the hybrid lunch model, which means eating in classrooms (students are allowed to bring a lunch from home). For those students eating breakfast at school, this option will still be available.
- Students in grades K-6 will stay in their learning pods / classrooms.
- Students in grades 7-12 will move throughout the day in their learning cohorts A/B.

### **RETURN TO LEARN SCHEDULE:**

#### **WHO WILL DISTANCE LEARN DURING THIS WEEK?**

Students who **are not on-site will be provided** a “Return to Learn” Distance Learning Activity to work on throughout orientation week.

## HOW WILL WE GET THE “RETURN TO LEARN” DISTANCE LEARNING ACTIVITY?

- **Grades K-4:** The activity will be mailed home to elementary families the week of August 24.
  - **Grades 5-12:** Students will be emailed this activity and it will be sent home with device pickup on Tuesday, August 25.
- 

## WHEN ARE STUDENTS ON-SITE and OFF-SITE?

**on MONDAY August 31, 2020**

**ALL STUDENTS GRADE K-12 will be OFF-SITE** Distance Learning, focusing on the “Return to Learn” Distance Learning Activity (noted above).
